REIMAGINED!**

Who is Lake Country Health Planning Society? The Lake Country Health Planning Society is a nonprofit organization that has worked in the community since 1982. Our mission is to promote, provide, and advocate for health and wellness in Lake Country and our vision is to make Lake Country the healthiest community in British Columbia. We continually strive to serve the nearly 15,000 residents of Lake Country and our Health & Wellness Fair is a fantastic way to achieve this.

Purpose of the Fair: to provide a signature event for people who live, work, and play in Lake Country with the opportunity to interact with and increase their knowledge about local health and wellness resources.

Our Motto: think well, live well, be well....

Why should you be a part of this? As one of the fastest growing communities in British Columbia, Lake Country has an influx of new families and residents who are looking to make connections and who are seeking information about resources, services and opportunities here. Our Health and Wellness Fair is the perfect way to showcase local businesses and organizations that offer these resources! With your generous sponsorship, we can bring people together, make connections and increase their health and wellness knowledge. By investing in Lake Country, you will contribute to community wellness and be recognized for your community spirit. Show Lake Country that you care about health and wellness!
