The Lake Country Health Planning Society (LCHPS) is a non-profit organization that has been in the community since 1982. The organization’s mandate is to advocate for improvements to health and social services within the community in order to make Lake Country the healthiest community in British Columbia! LCHPS strives to serve all community members; some of our programming includes Better at Home and Wise & Well. We also offer a Resource Directory that is specific to Lake Country, and are currently spearheading a Health Hub initiative with the goal of providing an array of health and social services to the District of Lake Country in order to better serve our nearly 14,000 residents.

Lake Country Health Planning Society is proud to host its fourth annual Health & Wellness Fair, which will take place on **Saturday September 30th from 10:00am - 5:00pm at the Memorial Hall in Winfield.** The theme “**Think Well, Live Well, Be Well**” has inspired a broad range of local vendors who focus on health and well-being in our community to participate in the event.

We are looking for corporate sponsors to assist with our costs of advertising, venue equipment and materials so that we can make this event as successful as possible.
